VILLA RESORTS

MALDIVES

Villa Resorts

Altogether Maldivian

Villa Resorts owns and operates a collection of award-winning resorts in the Maldives archipelago. Since 1986, our company has developed and been successfully running more than 1,100 rooms distributed across five resorts on some of the most beautiful islands in the destination.

As a family-owned and genuinely local operator, we use the natural beauty of our locations and the native warmth of our people to offer something new and distinctive.

Each island has been repositioned behind a unique Resort Concept. In line with these new concepts, the rooms, restaurants and public areas are being upgraded and refurbished with stunning interiors created by Jojo Barr of London studio, House Nine. Elevated service has been developed and taught in partnership with Forbes Travel Guide, and innovative programming – distinct to each island – has been designed with a unique set of traveller tribes front of mind.

Villa Haven

Touches of luxury bring sparkle to a reserved surrounding, where we celebrate nature's beautiful basics through the use of sustainable materials that showcase our native creativity. Bursting with tropical beauty, wide beaches and lush vegetation, guests are encouraged to slow down and regroup in a place where healing and hospitality come together.
